Certificate of Internship in FRONT END DEVELOPER

This is to certify that Mr. PRIYANSHU YADAV S/O Shri R.S.YADAV, B-Tech in Computer Science student at KCC Institute of Technology & Management 2B-2C Knowledge Park-3 Greater Noida (U.P), has completed his internship program. He worked under the guidance of Mr. Pawan from 01st July to 16th August, 2024.

Responsibilities and Accomplishments:

- *Designed and implemented front-end features for a new web application using React JS and HTML/CSS.*
- *Collaborated with the back-end development team to ensure seamless integration of features.*
- *Presented project progress and results to the development team through clear and concise presentations.*
- *Demonstrated strong problem-solving skills and critical thinking in tackling unexpected challenges.*

Skills Acquired:

- *Proficiency in React JS, HTML/CSS, and JavaScript.*
- *Understanding of front-end development best practices.*
- *Familiarity with unit testing frameworks like Jest.*
- *Improved communication and collaboration skills.*
- *Demonstrated ability to work independently and as part of a team.*

Mr. PRIYANSHU YADAV has shown exceptional dedication and talent throughout the internship program. Their contributions were instrumental in the successful development of the new web application. We are confident that he will be a valuable asset to any team in the software development field.
